

# Edward Ngere

Westminster, Maryland · [contact@edwardngere.com](mailto:contact@edwardngere.com) · 667-678-1018 · [edwardngere.com](http://edwardngere.com)

## EDUCATION

### Associate of Applied Science in Cybersecurity

September 2024 – Present

Carroll Community College

GPA: 3.81/4.0

## PROFESSIONAL EXPERIENCE

### Shop Online New York

August 2025 – Present

Cybersecurity Intern

- Identified and remediated insecure dependencies and exposed secrets across multiple GitHub repositories, reducing known vulnerabilities by 75%.
- Reviewed security reports.
- Partnered with development teams to establish secure coding and dependency management guidelines, reducing recurring security incidents.

### Target

August 2023 – Present

Back of Store Associate

- Bolstered daily store operations by assisting customers and working collaboratively with team members to meet sales and service goals.

## VOLUNTEER EXPERIENCE

### Carroll Cyber Club

April 2025 – Present

President

- Spearheaded weekly club meetings focused on cybersecurity career development, coordinating community and security-awareness projects, capture-the-flag preparation, and peer-led group study sessions for industry certifications.

### Carroll Community College

September 2025 – Present

Networking Teaching Assistant

- Aided in educating students on Networking I & II courses by teaching core networking concepts (TCP/IP, routing, switching) and mentoring students through hands-on labs with Cisco equipment and simulated assignments.

## PROJECTS

- Three Tier Network Home Lab
- Cyber Awareness Month Project
- Cybersecurity Blog

## CERTIFICATIONS

- CompTIA Security+ (April 2025)
- SOCOA I (October 2025)
- CompTIA Network+ (January 2025)

## TECHNICAL SKILLS

Python · SQL · Ubuntu · Networking (TCP/IP, Routing, Switching) · Wireshark · Git/GitHub · Cybersecurity Fundamentals  
Cisco IOS · Routing Protocols (RIP, OSPF, EIGRP) · VLANs & Inter-VLAN Routing · IP Addressing & Subnetting · DHCP  
Configuration · ACLs · Network Troubleshooting · COBIT · ITIL · NIST RMF · ISO 27005 · FAIR · NIST CSF · NIST 800
