EDUCATION

Associate of Applied Science in Cybersecurity

September 2024 – Present

Carroll Community College

GPA: 3.81/4.0

CERTIFICATIONS

CompTIA Security+

Completed April 2025

SOCOA I

Completed November 2025

CompTIA Network+

Completed January 2025

PROFESSIONAL EXPERIENCE

Shop Online New York

May 2025 – Present

Cybersecurity Intern

- Conducted source code reviews across multiple GitHub repositories to identify exposed credentials and insecure dependencies, reducing vulnerabilities by 75%.
- Collaborated with developers and reviewed GitHub security reports.

Target

August 2023 – Present

Back of Store Associate

- Bolstered daily store operations by assisting customers and working collaboratively with team members to meet sales and service goals.

VOLUNTEER EXPERIENCE

Carroll Cyber Club

April 2025 – Present

President

- Spearheaded weekly club meetings focused on cybersecurity career development, coordinating community and security-awareness projects, capture-the-flag preparation, and peer-led group study sessions for industry certifications.

Carroll Community College

September 2025 – Present

Networking Teaching Assistant

- Aided in educating students on Networking I & II courses by teaching core networking concepts (TCP/IP, routing, switching) and mentoring students through hands-on labs with Cisco equipment and simulated assignments.

PROJECTS

3-Tier Network Home Lab

- Designing personal 3-tier architecture lab, mimicking the core, distribution, and access layer of enterprise networks. Including implementation of well-known cybersecurity frameworks.

Cyber Awareness Month Project

- Spread awareness with presentation that included topics of phishing detection and multi-factor authentication.

TECHNICAL SKILLS

Python · SQL · Ubuntu · Networking (TCP/IP, Routing, Switching) · Wireshark · Git/GitHub · Cybersecurity Fundamentals
Cisco IOS · Routing Protocols (RIP, OSPF, EIGRP) · VLANs & Inter-VLAN Routing · IP Addressing & Subnetting · DHCP
Configuration · ACLs · Network Troubleshooting · COBIT · ITIL · NIST RMF · ISO 27005 · FAIR · NIST CSF · NIST 800
